PROFILE

Hello, I'm Sahil Singh & I hold a good knowledge of Frontend Development and Mobile Application, I have contributed in many projects and work with React & React Native projects, It is really exciting and interesting I enjoy working on projects. Currently, I'm at my final year of BTech in Computer Science Engineering and I am completing my course work. I work hard, and as an enthusiastic, I am highly motivated to contribute knowledge and skills that will lead to business success. I'm also currently learning about the cybersecurity and Ethical Hacking.

WORK EXPERIENCE

DEVELOPER AND HR

RCOP(Revolutionary Commision Of People)   2024

- As the Developer and HR of RCOP, I have collaborated with an exceptional group of tech enthusiasts and like-minded individuals from Japan, South Korea, and India.
- Our mission is to address the real-world issue of peace (SDG 16) by developing a chat platform that enables global connectivity without barriers, leveraging the power of AI.

ACHIVEMENTS/COURSES

- **Front-End Development Libraries By Free Code Camp:-**
Developed proficiency in building dynamic web applications by leveraging popular front-end libraries and frameworks such as React, Redux, Bootstrap, Sass, React Router, and jQuery.
